

Move Over!!!

Per New Jersey Motor Vehicle Laws (N.J.S. 39:4-92.2) when you approach a stationary Emergency Vehicle with flashing **RED** or **BLUE** lights, OR a stationary Tow Truck, Highway Maintenance or Emergency Service Vehicle with flashing **AMBER, YELLOW**, or **RED** lights:

- You **MUST** make a Lane Change into a lane not adjacent to the emergency vehicle.....if possible and safe to do so.
- If Lane Change is impossible, prohibited by law or unsafe, you **MUST** reduce the speed of your vehicle to a reasonable speed and be prepared to stop.

It's the Law!!!
