Action Items:

For the records: approved at the Township Committee's Feb 11th meeting: 10U Jersey Inferno for softball practice at indoor facility. This permit had been sent in prior to the Jan meeting but was mistakenly not on the agenda. The committee approved it via email on Feb 5th. Also approved at the Feb 11th meeting: NB varsity baseball coach Rick Doppler will host a free baseball clinic for our youth program on Feb 18th and 25th at the indoor facility. This was approved via email on Feb 3rd.

Colleen Herbert reminded the committee that the Recreation teams take priority over the outside organizations looking for field use. The park permit needs to be updated to include the building and concession stand. Paul is working on a new permit draft.

Colleen is working on finding a concessions vendor or someone to run the concession stand for the season. She is also checking with the High School clubs. There have been a couple parents who have offered to help and Colleen will follow up with them. Committee needs to find other ways to get parents to help for the season.

Reports from Subcommittee:

Soccer: looking for someone to run spring soccer

Basketball- season underway, no problems to report

Baseball: numbers are low this year. Assessments will be the weekend of Feb 28th and March 1st at the indoor facility and all groups will be done that day. It will run it again like last year to see who can move up in each division. Minor and Major coaches will be there to assess if a player is moving up this way the player does not need to attend 2 times. Only numbers on the players- no names - when assessing. Opening Day will be Monday April 13th.

Softball:

Football/Cheerleading:

Concessions:

Sponsorship: Colby working on a new form with reduced fees. The deadline for sponsoring a team and having name on back of jerseys is March 21st. John Kampo will help with sponsorships and Colby will confirm with Chesterfield for their sponsorship fees so that both townships are the same.

Finance: Janice has a budget meeting on the 26th. Colleen Herbert can give her any questions prior to that.

Facilities: Brian Sisz updated the committee on the indoor facility. A new row of lights was installed and the existing rows were shifted. It has made a big improvement in the lighting inside the facility. Next issue that needs to be addressed in there is to fix the heater. Right now the existing heater is designed to pull in the outside air and heat it but with the extreme cold temperatures the building is not warming up. Janice suggested to the committee to get a quote and bring the quote and justification for improving the heating system to the committee.

Dave Moody asked the committee if they have considered a net along 1st base at the Civic Club baseball field. Every season teams lose quite a high number of baseballs with foul balls into the woods along there.

Old business:

New business: Brian Caloiaro agreed to host a Rutgers SAFETY course for volunteer coaches for the spring season. Team formation is scheduled for March 7th so he will look at dates after that day.

Adjournment: Motion to adjourn at 9:16 pm by Colleen Herbert and second by Colby Bressler. All present members approved and motion passed.
