Facilities:

MCP: Colleen Herbert discussed complaints about the Community Park on East Main St, particularly the playground area. One question that came up was whether or not the playground equipment is up to code. Also someone asked if the township was planning to build a dog park in that park. The big tree right next to the Town Hall field needs to be either trimmed or cut down.

Batting Cages need to have additional pads put up protect the fencing. Randy, Rob and Paul will handle this project.

Georgetown Park: Paul Narwid asked for an update on the Mapleton Grant and whether or not anything on Rec's list was purchased with that grant money. The committee would like an update on the township projects, and would like to know if the cameras are installed and working . Who views the cameras?

Civic Club: The bids for the bathroom and storage building came in too high. The job is out to bid again. Colleen discussed the idea of trimming this job down in order for it to

be completed. The Committee noted that neither Township Committee Liasons were present at this meeting to answer these questions.

Reports from Subcommittee:

Soccer: Brian Morro: still working on a league meeting. Dick's Sporting Goods would like to work with the our rec program during the soccer season as they did with the baseball/softball season, and have a Mansfield Soccer Day in August and also donate equipment to the teams. There was a discussion regarding saying with the Midlands league or having soccer run by NBIAA like basketball and baseball/soccer. Paul asked the soccer subcommittee to have an equipment list and 3 quotes for uniforms by the July meeting. Also need to talk to Jeff about seeding the fields.

Basketball- nothing new to report.

Baseball: Rob Siverio: Season went well, the Majors Championship game is tonight and that is the last playoff game. There will be District teams at the 8U, 10U, and 11U level and those games will start this week.

Softball: one District team- 10U and they are going to the State tournament.

Football/Cheerleading: Colleen Herbert would like to see a finance report from the football club.

Finances: Paul would like the financial reports sent to him.

Concessions:

Sponsorship:

Old business:

New business: The Recreation Committee awarded 2 scholarships at the Senior Awards Night at Northern Burlington High School to 2 township students who had participated in our rec programs. \$150 was awarded to Megan Mayernik and Zach Wright. The scholarships were paid from a combination of money that was donated this winter and from the concession fund. Colleen Herbert will organize a fundraiser this fall at the Chesterfield Inn during the soccer season to start raising money for next year's scholarships.

Adjournment: Motion to adjourn at 9:09 pm by Colleen Herbert and second by Brian Sis. All present members approved and motion passed.

Respectfully prepared and submitted:
