Facilities: Randy Feig and Brian Sizs will work to set up a fee schedule for the field use for tournaments. Brian will check with the other townships in the area to see how they charge. Bathroom times are off, bathrooms were locked when a parent went to use the bathrooms one evening. Christine will go to the concession stand tomorrow and check on that situation and make sure they are programmed to be open from dawn to dusk. There has been numerous times when there are dogs n the baseball fields and the committee discussed the program and request that the township put up bigger signs on the fences that state NO DOGS on the baseball fields. The township was awarded another \$250,000 in grant money for improvements at the Mapleton Park. Randy is researching equipment for MCP and will have a recommendation for a purchase. Committee needs to figure out where it will be stored and who will ride it.

Reports from Subcommittee:

Basketball- nothing new to report.
