Reports from Subcommittee:

Soccer: Brian Pieloch and Brian Morro: season is off to a good start. Overall everything is going well. One problem with Midlands is games without refs. There was a 2 week period that a few games did not have refs. Twan informed the townships that this would happen but did not respond to any requests from the coordinators for the list of games. This is a big problem esp at the older levels. We did have one game with no ref

where a player was injured. Brian Morro is continuing to reach out to the other townships to address the problems with the Midlands League.

Basketball- Tammy Caloiaro is working with the other coordinators to plan the season. Registration is open, assessment schedule is set. Tammy will meet with Fred to get black out dates for the schools. Paul will get NBIAA insurance for all players. Christine will send out quote requests for the jerseys. Reese Vershelde will do the game scheduling for the season. Paul will work with him to get started.

Baseball: nothing to report

Softball: nothing to report

Football/Cheerleading:

Finances: Paul will order baseball equipment from BSN to use up remaining funds in the baseball line of the current fund after the infield mix is purchased.

Facilities:

Roll Call for vote:

Concessions: nothing to report

Old business:

New business: The Township Committee is applying for a new rec grant and asked the rec committee for recommendations. The members for the rec committee compiled a list and discussed the following ideas and agreed on the top three that they would like to see the township move forward on are: The first request is access to water in MCP. Second would be to repair/overhaul some of the existing fields and the third request would be to automate the lights at Mapleton with the system we currently have at the Civic Club Fields. Below is the list that the rec committee compiled:

10/18/2016 Requests for Grant Money:

- 1. water in the park**
- 2. lights at Mapleton (soccer field)**
- 3. automate the lights at Mapleton**
- 4. Automate the lights in the bathrooms at MCP**
- 5. Add fields. Take Mapleton and add additional fields**
- 6. Overhaul/repair some of the existing fields- Take 3 baseball fields, 3 soccer fields and get a price for grading, reseeding and new infields**

- 7. netting down the first base line at Civic field**
- 8. Convert the 60/90 field into a multi-purpose field and add lighting**

Adjournment: Motion to adjourn at 9:17 pm by Brian Pieloch and second by Randy Feig. All present members approved and motion passed.

Respectfully prepared and submitted:

Christine Alpin, secretary
