Rabies Clinic Program for 2013

Clerk Semus explained that the rabies clinic would be held as it was last year. There will be no licenses issued. It will be strictly for inoculations. The state has notified us that, beginning January of 2013, they are not sponsoring the rabies clinic program any more. There will be extra charges this year although they will provide the serum. She will contact them to determine how much it will cost the Township. Any cost can be taken from the trust fund.

A motion was offered by **Committeeman Clark** and second by **Committeewoman DiGiuseppe** to hold the clinic. Motion carried on a Roll Call Vote, recorded as follows:

Feral Cat Program – TNR (Trap Neuter Release)

Clerk Semus reported that we have had several issues about feral cats. On resident questioned why we didn't join the feral cat program – trap, neuter/spay and release. The cats are then released to the area where they have been picked up but they cannot reproduce. After brief discussion, she was told to find out the cost for the program. This will be reported at the January meeting.
