

MANSFIELD TOWNSHIP ENVIRONMENTAL COMMISSION
Regular Meeting
August 13, 2018 7:00 p.m.

Call to Order: The August 13th, 2018 regular meeting of the Environmental Commission was called to order by Bob Tallon at 7:00 p.m. at the Mansfield Township Municipal Building. Everyone present participated in the Pledge of Allegiance.

Flag Salute

Open Public Meetings Statement: Public notice of this meeting pursuant to the Open Public Meeting Act NJSA 10:4.6 to 10:4.21 has been satisfied. Notice of this meeting was properly given in the annual notice which was adopted by Mansfield Township Environmental Commission on January 29, 2018. Said resolution was transmitted to the Burlington County Times, filed with the Clerk of the Township, posted on the official bulletin board at the Municipal Complex, filed with the members of this body, and mailed to each person who has requested copies of the Regular Meeting Schedule and who prepaid any charges fixed for such service. All of the mailing, posting, and filing has been accomplished as of February 14, 2018.

ROLL CALL

Dorothy Wirth- present	Robert Tallon- present	Serra Gungor-absent
John Kampo- present	Daniel Caldwell-absent	Yaga Erwin- present
Robert Harrison- present	Jack Kelly- absent	Robert J. Higgins, Liaison
Mark Clark- present	Todd Kokotajlo- present	Frederick D. Cain, Liaison

Call to Order:

Approval of Minutes:

- Dottie Wirth made a motion to approve the July 9th, 2018 Regular Meeting minutes and Mark Clark seconded the motion. The remaining present members who attended the July 9th meeting approved the minutes. The motion passed.

Correspondence:

1. E-mail from Donna Frederick regarding air quality at Columbus Market.

John Kampo made a motion to have Yaga reply to Ms. Frederick and inform her that the Board is not aware of any businesses releasing anything into the air that could affect Ms. Frederick's allergy attack. Also, there are too many variables to take into consideration as to what could cause her allergy attack, i.e., disturbed dust at the market, food vendors using particular spices, neighboring sellers' products, as well as the chemicals that may have been used on the surrounding farms. Mark Clark seconded it. All present members approved and the motion passed.

2. Letter from MidAtlantic Engineering Partners regarding Block 4, Lot 8.02, Rt.206 South.

NO ACTION NEEDED

Engineer Report: Nothing to report

New Business: None

Old Business:

1. Update from Bob Tallon regarding a couple of various issues, as discussed at previous meeting, including Stormwater Utilities.

Mike Fitzpatrick requested a meeting with Bob Tallon, Jeff Jones, Bob Higgins regarding the Stormwater Utilites.

Bob Tallon advised the Board that stormwater basins have building standards but there is nothing in place to monitor what happens after, what flows into the basins.

Township owns 16 basins, and developers in the area own other ones.

It is strongly recommended that the Township should consider joining the Stormwater Utilities. There will be a fee for each basin, but an inspection and report will be provided which will insure that they work properly and are within the guidelines created by the State.

Adjournment: Motion to adjourn at 7:56 p.m. was made by Mark Clark and seconded by Todd Kokotajlo. All present members approved and motion passed.

Respectfully prepared and submitted:

Yaga Erwin, Secretary
